**ORDER**

---

Several plaintiffs have recently filed actions against the same defendant in this district. Pursuant to Civil L.R. 3(c)(4)(A), I conclude it is likely that this action is related to the lowest-numbered similar action, Case No. 22-C-882-BHL. Therefore, pursuant to that rule, I will **refer** this action to District Judge Ludwig for a determination as to whether the case should be reassigned to him.

**SO ORDERED** this 19th of August, 2022.
